First Day's Drive Result Encouraging

Progress Reports
Heard in Chamber's
Membership Push

Spurred by a final pep-talk and rally held at the Legion Hall Tuesday night, workers in the drive to increase by 200 per cent the 1949 membership of the Palm Springs chamber of commerce, reported: "excellent progress" at a meeting held Thursday morning.

George Clarke general chairman, of the current membership campaign presided at the Tuesday meeting with more than 150 workers present. Earl J. Smith, campaign counselor, schooled those present on the proper presentation of their sales talk in convincing new members to join the chamber.

COMMITTEE CHAIRMEN'S report on the amount of money collected in membership fees totaled \$10,794, for the first day's work Wednesday. Chairmen of the various business and professional grouping, being contacted for membership in the chamber reported as follows:

Apartments and rooms \$2529 for the first day's solicitations compared to \$2067 collected for this group for the year of 1948. There was no report from the committeeman in charge of public utilities and transportation. Building materials and architect's group turned in \$60 as compared to \$1715 for last year.

Pls and guest ranches surpassed last year's total for money collected with \$3100 for the first day as compared with \$2975 for last year.

SOLICITORS in the professional group collected \$850 in membership dues for 1949 as compared to \$825 for all of last year. Real estate and insurance group committeemen turned in \$130 as against \$4915 for the preceding year.

Committee chairman in charge of restaurants and bars was unable to be present at the progress report meeting yesterday but it is unofficially reported that workers in this category exceeded the amount collected last year when dues totaled \$1330.

A TOTAL of \$1465 was collected from retail store operators in the Village during the first day as compared to \$7120 for last year. Only the small businessmen in the Village were contacted.

Workers in the diversified business group topped last year's total of \$2415 with a report that \$2660 was collected on Wednesday.

The next progress report will take place Monday in the Legion Auditorium at 10:30 a. m. The drive will end Friday Dec. 17.

17 Incumbents and 8 New Members Elected to Board Of Chamber of Commerce

Eight new directors and 17 incumbents were elected to the board of the chamber of commerce when members met in annual session at the Tennis Club Tuesday noon. The meeting was featured by an address by Earl J. Smith, asking support for activities of the chamber.

Directors elected included Stanley Rosin, 69 votes; Earl Coffman, 64; George Clarke, 62; Oliver B. Jaynes, 61; Fred Ingram, 59; Harold Hicks, 57; Irwin Schuman, 55; Dick Joy, 54; Charles Mathews, 54; Florian Boyd, Barney Hinkle and George Strebe tied with 52.

Others elected were Max Dresdner, 48; Phil Delano, 47; Milt Hicks, 44; William H. Veith, 43; Dr. James B. Oliver, 41; Herman Reich, 41; Jack Gorham, 40; Kenneth Colborn, 39; Reed Hubbell, 38, and Harry Harper and Keith Herbert tied for the 25 position on the directorate with 37 each.

Harper withdrew, declaring: "I feel that the chamber of commerce cannot afford to lose the services of men of Keith Herbert's caliber who has been active in chamber work since coming to Palm Springs."

The high 13 members will serve two years, the other 12, one year.

There were 54 candidates for

the 25 positions on the board. New directors are George Clarke, Irwin Schuman, George Strebe, William Veith, Jack Gorham, Reed Hubbell.

Charles Mathews, president, who presided, introduced Clarke, chairman of the membership drive now in progress to increase chamber rolls 200 per cent. Mathews said that of 1200 business licenses in town, only 400 owners were members of the chamber. He pointed out that operational expense, and activities have been paid for by two benefits staged during the last 12 months and by drawing on membership dues in advance of payment by members.

Smith pointed out that only two to three per cent of any community were the work-horses and active civic leaders.

He pointed the way, how to increase the field of leadership in community life and set the example by large organizations in the development of such leadership and active interest in civic work.

He stressed that next year would not be the time, in view of other resort city competition, for "those who do not belong to the chamber to ride free or at half rate, if the season is to be a success from a business standpoint."

Missing Boys Found Safe 50 Yards From Home After 8-Hour Search by Scores

An intensive hunt covering 25 square miles for two seven-year-old boys, last seen by neighbors at 12 noon Wednesday, ended at 2 a. m. Thursday morning when they were discovered locked in a closet of a vacant house within fifty yards of their Sunny Dunes tract home.

Posses, police, and Villagers were called into the hunt for Joseph Calcinichio and his playmate, Pat Barbara, Jr., when they failed to return home at 5 p. m. The parents, Mrs. Angelino Calcinichio and Mr. and Mrs. Barbara, told police that the last time the boys were seen was at 1 p. m., playing in the dry Tahquitz wash that runs not far from their homes.

At 6 p. m. Los Compadres members turned out in full mounted force, citizens hearing of the search took to highways and on foot, beating every yard of the desert within a five-mile radius of the Sunny Dunes tract.

Sgt. Lienau Rites At Redlands At 2 Tomorrow

With many Villagers in attendance, last rites will be said tomorrow at Cortney's Chapel, Redlands, for Sgt. Herbert Lienau, killed in action in World War II and buried in the city of his birthplace four years from the day the plane on which he was a gunner was shot down over Germany.

Dr. J. R. Macartney of the Village will conduct the funeral services at 2 p. m. Pallbearers will be Richard D. Heise, Alfred V. Adolph, Van Linkleiter, Roger W. Braniger, William Foster and Gene Morgan.

Lieutenant Fred Pratt of the Riverside county sheriff's office aided in the search as did every available man on the police force. George Strebe, during one of the rendezvous periods at midnight, served food and hot drinks prepared at his Doll House to searchers. City Manager William E. Alworth and others combed the mountains above Araby Point until Earl Strebe and a pilot took off in an airplane at 2 a. m. to signal that the search was over.

WHEN FOUND in the closet of the vacant house, the boys told conflicting stories. One said they were playing hide-and-go-seek and had slammed the closet door on themselves and the other that a high school boy had pushed them into the tiny cubicle and closed the door.

The search ended when Mike Smith, of The Dunes, brought out keys to more than 15 vacant homes in the area for a last resort search. The boys were found in the last house inspected.

Time's Getting Short for That Tree Fund Check

Jimmie Bridoy, chairman of the Business Women's Club Christmas Tree Fund committee today reminded Villagers that if they want to get that glow that goes with a good deed, to mail their contribution to the fund, they must act now.

The postoffice address of the club for Santa Claus purposes is 162 and the money so sent will go toward helping fill Christmas stockings for 1400 kids.

Wanted in Fresno

Refugio L. Salazar, Villager, was turned over to Fresno authorities yesterday on a warrant charging kidnapping and an unkeeper in that northern city.

(EDITORIAL)

Indispensable Institution

ANYONE WHO THINKS that Palm Springs—or any community—can grow and prosper without the help of a successfully operating chamber of commerce should have to try to make a living and enjoy life in a town that has NO chamber of commerce. It wouldn't take long to convince anyone by that process. So let's all agree that it IS the most essential organization in the community.

The next step is to make the chamber successful. Here's what it takes: **LEADERSHIP, ADEQUATE FINANCING AND WORKING COMMITTEES.** We must have all three. The Palm Springs Chamber of Commerce is undertaking a campaign right now to obtain proper financing. This is the easiest part for any business man who appreciates the value of the organization. Every business and professional man and woman in the community should do THAT MUCH. A few who have the time and ability can—and will—furnish the leadership. The rest can all spend some time assisting with the important work of the numerous committees. That IS the chamber of commerce. It is a machine on which we must all do some work according to our special talents. But above all it must be adequately financed.

Need we tell you . . . next year is going to be a very important year for Palm Springs. The functions of the Chamber of Commerce were never more vital to everyone in the community than they are now. The community advertising and publicity program is dependent upon it. Without this agency to SERVICE the advertising for which the city is paying, it would be ineffective—and the city council would not continue to appropriate money for this purpose.

When a fellow businessman calls on you to seek your support of the Palm Springs Chamber of Commerce, thank him for giving him time to this community service—and INVEST your full share in this campaign to help you both!

Indian Land Allocations Under Study

Change in Method
Of Reservation
Leases Will Follow

Status of land-use permits, or leases, held by between 200 and 300 persons on the reservation may be changed within the next 90 days as result of a study of allocations under federal enactments.

The permits have a revocable 30-day clause written into them which allows the Indian affairs committee acting for the department of interior to terminate the tenancy on Indian Tribal lands for cause.

Possible changes in the permits will come just as soon as land allotments now in the process of being made are passed in trust patent or fee patent from tribal to individual ownership.

DURING THE PAST three weeks a land allotment expert and a surveyor for the Indian commission have been working out a schedule of allotments which will include land shares for all members of the Agua Caliente tribe and those born since the original allotments were made in 1927.

This action, long delayed, was brought to a head when Lee Arenas won his U. S. supreme court verdict against the department of interior upholding the validity of the 1927 allotment act. The verdict was issued two years ago, but despite it, the department of interior or the Indian commission was reluctant to make the allotments until ordered to do so or be in contempt of court.

THE REVOCATION of the land-use permits, a technicality, must be accomplished, because all of them have been issued in the name of the Agua Caliente tribe, as tribal lands. Once the permits are made it will be up to the Indian to whom the allotment is made to come to individual terms with the non-Indians using the land, which must meet approval of the Indian office.

At present, there are 71 members of the Agua Caliente tribe and three allotments. A small minority of them have fought for years against breaking the tribal land into small parcels under the 1927 schedule. Since the court verdict most of this minority have reconciled themselves to the fact that the allotments are going to take place whether they like it or not.

THOSE WHO FOUGHT for the land allotments and a right to do with their lands as they see fit have changed their minds with the exception of two or three Indians. Confronted with a near-future ownership of their lands it suddenly dawned on these Indians that if they received fee right to the lands, the white man's burden—paying taxes, would be saddled upon them.

As a result interviews with most of the Indians on the reservation revealed that they do not now want fee title to the land. Instead they favor a trust patent with the government continuing to act as trustee as it has since Indian reservations were created, except that leases for a period of five years may be granted.

Magnificent Addition
To Desert Living
Tribute to Hendersons

Brothers Clifford and Randall Henderson, whose meeting under a full moon in Africa while they were in the armed forces as officers is responsible for the creation of Palm Desert, last night cut a golden ribbon, throwing open the huge crystal plate glass doors of the magnificent Shadow Mountain Club.

Moments later world-noted socialites, film and radio stars, business tycoons, high ranking leaders of civilian and military aviation and leading citizens of Palm Springs and the valley area, entered the spacious lobby and fashionably appointed dining room of this fabulous new club, starting a series of social events which will continue today, tomorrow and Sunday.

THE FORMAL OPENING of the club, which alone is drawing international attention, seemingly was not enough for Cliff Henderson's genius for showmanship, for late last night he interrupted dancing and social festivities and leading his guests outdoors, gave the signal which set off a program of spectacular fireworks which dimmed the brilliance of giant searchlights drawing eyes throughout the northern end of the Coachella Valley and which were lighted at dusk as beacons for guests gathering here from all points of the nation. The spectacle will be repeated each night during the formal opening festivities.

Last night meant much not only to Cliff Henderson, but to all the men of prominence who joined him in building Shadow Mountain Club and developing Palm Desert. The cynical said it was impossible for the club to open for another year—but Cliff Henderson who created and directed the International Air Races and the Bendix Trophy Race and built the Pan-Pacific Auditorium in Los Angeles during the depression, their cynicism was a challenge which he has met.

FOR EVEN BEFORE the formal opening, Henderson staged a surprise dinner party in the new club on Tuesday night, when more than 200 men who have labored seven days a week to complete the club buildings and furnishings, sat down in the swank dining room as his guests. Many of them brought wives and sweethearts and the service was as formal, the food and entertainment as regal as will be enjoyed by the elite who will be able to enjoy the facilities of this club from here on.

At this dinner Henderson thanked the craftsmen and artisans for their teamwork and spirit, and paid special tribute to G. Arthur Chapman, his assistant who has stayed on the job to keep supplies flowing in and to supervise the over-all executive duties required for the completion of the club. He lauded Stephen Rutgers, superintendent of construction, who has stayed at Palm Desert every week for two years without a See SHADOW MOUNTAIN, Pg. 12

THE HOSPITAL ELECTION

The Desert Hospital District election in a nutshell:

Voting Places—In Palm Springs, the Red Cross building at Torney General Hospital, lobby of the Del Tahquitz Hotel and the Padlock Pools building on Sunny Dunes road; in Desert Hot Springs, the Community hall; Cathedral City, Town Hall; and Palm Desert and Palm Village, the Palm Village tract office.

Transportation to the polls—Call either 2251 or 2888 in Palm Springs.

Area Included in District—Desert Hot Springs, Palm Springs, Thousand Palms, Cathedral City, Rancho Mirage and Palm Desert, with surrounding areas.

What a "Yes" Vote Does—Creates the Desert Hospital District authorized to take over and operate the Palm Springs Community Hospital and build any additional hospital facilities needed.

Management of District—This would be in hands of five directors elected by the people.

State and Federal Aid—A legally-created Desert Hospital District is eligible for state and federal hospital construction funds up to a limit of two-thirds of the cost of a new hospital.

Taxes—The district is limited by law to the small tax of 20 cents on each \$100 of assessed value. This is one-thirtieth of the tax now paid within Palm Springs—it would cost the average home owner between \$5 and \$10 a year. Community Chest funds would not be needed for support of the hospital after July 3, 1949.

Use of Present Hospital Funds—These funds, totaling close to \$150,000, will be needed to remodel a building on Tachevah Drive as a hospital to be used until a permanent hospital can be financed. This building then would become part of the final hospital plan.

Launch Program Of Desert Group Here on Tuesday

Directors of the newly-organized Desert Associates of Riverside county will meet here Tuesday morning to launch their broad program of development and protection of the desert regions.

The directors will name officers and hold the initial discussion of their program and methods of attacking immediate problems, chief among them the threat of industrialization of the Coachella Valley. Earl Coffman, named temporary chairman at the organization meeting held at Palm Desert last week, has called the initial session of the board.

MEMBERS of the group, which represents an area extending from Desert Hot Springs to Thermal, are: John Kelley, Thermal; Ted Carlson and Ken Lichty, Indio; Joseph Snyder, Coachella; H. L. Kavanaugh, Indio; William Waishe, La Quinta; Randall Henderson, Palm Desert; Don Cameron, Rancho Mirage; L. C. Lewis and Paul Clark, Cathedral City; A. E. Launer and Tom Lipps, Desert Hot Springs; and Ben F. Shearer, Harold Hicks and Earl Coffman, Palm Springs.

Plans for uniting the desert areas behind joint programs for its advancement and protection drew warm praise from nearly 40 representatives attending the Palm Desert session. Proposed fields of activity include protection against industrialization, development of new recreation areas, highway routing, promotion and advertising of the region, cooperative waste disposal programs, and many others. City Manager W. E. Alworth conferred with the community representatives on the problem created by Palm Springs' waste burning. He promised that the city council has begun an active drive to remedy the nuisance.

POSSIBILITY that the organization may be the one through which a central cemetery location may be found and financed also loomed at the meeting. Urgent need for an adequate cemetery has been discussed for the past two years and the united efforts of the areas are expected to be thrown behind a solution to the problem.

An intensive membership campaign, aimed at enrolling thousands of desert residents in this new united front will be started immediately after the board of directors give the "go" signal at Tuesday's meeting. Articles of incorporation are being prepared to set up the Desert Associates as a non-profit corporation.

DAV District Commanders To be Guests Here Sunday

Among the high officials of the organization expected to be present are C. C. Cox, district commander and national service officers. Adjutant Ray Hiller and First Vice-Commander Bill Rashall will be on the welcoming committee. Members from other posts in southern California are also expected to be present.

Kirk Points To Vital Need For Success

District Divided Into
Six Precincts for
Balloting on Tuesday

Assenting that approval of the Desert Hospital District plan will both guarantee permanency of hospital facilities for the desert and provide funds for needed additions of equipment, Kenneth Kirk, chairman of the sponsoring committee, today appealed to voters of the area for an overwhelming "yes" vote at next Tuesday's election.

Voters will go to polls in six consolidated precincts in an area reaching from Desert Hot Springs

Kenneth Kirk, chairman of the Hospital district campaign, and Frank Bennett, president of the Community Hospital, will be interviewed over KCMJ on the benefits of the proposed district Sunday from 8:30 to 8:45 p. m. and Monday from 8:30 to 9 a. m.

to a point beyond Palm Desert. This area would comprise the Desert Hospital District if voters put their stamp of approval on the district formation.

THE DISTRICT would become a legal entity within the near future by action of the board of supervisors but its first tax funds would not be available until July 1, 1949. In the meantime, Community Chest funds would make up the difference between income and operating cost at the Community Hospital which, it is intended, the district will take over and operate.

Chairman Kirk, heading a committee of 170 members, said today that the insuring of the permanency of the present hospital facilities is of prime importance to every family in the desert section.

"Since its establishment here in 1946, the Palm Springs Community Hospital has cared for more than 2500 patients, many of them alive today because these facilities were close at hand," he said.

"EVERY FATHER and mother appreciates that feeling of security that comes from having the hospital within a few minutes drive from home. A dependable, fully-equipped hospital has become an essential part of any community.

"This district hospital plan has been accepted as the best means of insuring permanent hospital service here. It has been put into effect already in 43 other communities of California and has met the approval of the public in those sections. We can accept this approval with confidence. And you can accept for approval."

THE QUESTION NEXT TUESDAY, which voters will be asked to pass upon is: Should the people of Palm Springs, Cathedral City and Desert Hot Springs form a Hospital District? The residents of this area are now provided hospital facilities by the Palm Springs Community Hospital. The story of the local hospital is known to most Villagers. It was organized in 1945 by public demand. A fund of about \$185,000 was raised but, with rising building costs, was inadequate to build a hospital. Two buildings at the old Torney government hospital were obtained by arrangement with the federal government and are still being used. Part of the fund collected was used to put the buildings in shape. The balance of about \$135,000 being still held in reserve in a building fund. Housing for the institution is still uncertain because the property is disposed of by the government. It is hoped, however, that arrangements can be made with the new owners for space and some buildings in the rear of the property for a more permanent hospital.

Formation of the Desert Hospital District will do three things to assist the Community Hospital: (1) Transfer the operating deficit from an annual subscription drive (along with the Community Chest campaign) to support by taxes. (2) Make it possible to obtain federal and state assistance for a new hospital building at some later date. (3) Take the operation of the institution out of the hands of a community association and place it under a governmental agency. Let's discuss them briefly.

All community hospitals operate at a loss because they have to accept emergency cases regardless of a person's ability to pay. It is difficult and uncertain to make this up each year by voluntary donations. Through the formation of a district, the county can levy up to 20 cents on every \$100 ASSESSED valuation for support of the hospital. Property owners don't like to see their taxes increased but the cost of this vital hospital service will be only about \$10 a year for a person who owns a home valued at \$25,000 on today's market. Like other property taxes, the measure places a burden on large land owners. On the other hand, it seems to be the only sure way to finance the hospital.

Provision has been made for federal and state assistance to hospital districts for new buildings. There are at present many more applications than available funds, but it is wise for this area to be in a position to qualify for such funds when they will be made available.

The Community Hospital would be operated by five directors elected by the people, after the Board of Supervisors had appointed the first board. It is considered by most people, including the present officials of the hospital that the institution would be better off if operated as a governmental agency.

The continuance of the vital services performed by the Community Hospital are assured through the creation of this proposed Hospital District. It seems to be the only safe and logical thing to do. We believe that this is a fair and accurate appraisal of the situation on which EVERY voter should register his or her opinion next Tuesday. Preserve your right to vote by using it!

Daylight time may end soon—but, at least, not until January 1. Gov. Earl Warren said this week that it all depends upon a storm brewing over northern California. If it hits the proper spots and leaves enough moisture behind, he'll call off daylight time.

Wednesday the governor fixed January 1 as the day for return to standard time.

43 Street Names Undergo Changes As Signs Go Up

With the installation of new street signs, forty-three streets in the Village will be renamed or have their names shortened so that each letter can be properly spaced on the new signs.

This action was officially voted by council last summer when the new signs were purchased.

THE NEW NAMES will be minus Spanish articles and prepositions but will retain the same meaning. Two streets, Camino Real and Via Monte will disappear because they run for a portion of the way along streets better known and more popularly used.

Lengthy names like Avenida de las Palmas, it was explained, would take a sign a yard long to carry the full name. Accordingly streets of that kind have been reduced to read simply, Avenida Palmas.

ERECTION of new street signs in Sunny Dunes area should be completed by Thursday or Friday, George Minton, city engineer said. First home mail delivery since the tract opened will start as soon as home owners have mail boxes erected.

Originally it was planned to move the sign installation crew to the north end of town. Instead, Minton said yesterday, on the suggestion of Postmaster R. M. Gorman, the sign crew will be moved to the area south of Ramon Road and east of Highway 111.

"This is being done to make it possible for residents in that area to receive home mail delivery," said Minton.

Veterans Urged To Watch Their Insurance Dates

The "term" in National Service Life Insurance term policies is becoming increasingly important to veterans who entered World War II service early, according to James E. Carlsen, County service officer.

These policies run for only eight years, Carlsen pointed out. Although the Veterans Administration is sending warning notices two months before the expiration date, Carlsen urged veterans not to wait but to take action promptly to renew or to convert them to one of six permanent plans.

Rotary Governor Visits Local Club

Four guides which every Rotarian should follow in making any business transaction were given to the Palm Springs club last Wednesday noon by Clarence Gurr of San Bernardino, district governor. They were embodied in these questions: 1) Is it true? 2) Is it fair? 3) Will it build good will for you? 4) Will all parties profit by the transaction?

Reviewing the objects and benefits of Rotary, the speaker said that membership in a club developed acquaintance with fellow business and professional men which grew to friendship and fellowship—and to confidence in one another. "And confidence is the cornerstone of our American way of life," Mr. Gurr declared.

Prior to the regular club meeting at the Desert Inn, the district governor held a conference with officers and committee chairmen of the Palm Springs club.

Dick Joy, co-owner of station KCMJ, and Arthur G. Hoff, acting superintendent of the school district, were inducted into the club as new members and welcomed on behalf of the club by Harry Harper.

Many Palm Springs Rotarians and their wives will attend the charter night celebration of the new Palm Desert Rotary club, which was sponsored by the Palm Springs group. The dinner party will be held at the Shadow Mountain club of Palm Desert next Wednesday evening.

County Red Cross Chief Addresses Village Members

Mary Ellen Pangle, manager of the Riverside chapter of the American Red Cross, spoke Wednesday before a meeting of the local branch.

Dr. Charles H. Baldwin, chairman of the local group introduced Miss Pangle, who gave interesting highlights on prevention of a catastrophe, a subject important and timely—in view of last week's earthquake scare. In event of a local emergency, local Red Cross workers are well organized and alerted to meet any emergency.

Reports from the chairmen of the various committees were comprehensive and encouraging. Chief A. G. Kettmann, chairman of the Water Safety committee, announced that plans are in the making to conduct swimming classes and life saving classes for children over twelve years of age and also adults. The classes will be under supervision of a qualified Red Cross director. They will be held around the first of the year using the facilities of the high school swimming pool.

A few more gifts are needed for the veterans of the Corona Naval Hospital and March Air Field Hospital.

"If you can give one or more of the following men's gifts, kindly call Mrs. H. Hansen, 7786: Men's Toilet Articles, Nail Clippers, Watch Bands, Picture Frames, Pipes, Pocket Knives or Cigarette Cases. By contributing a \$1.50 gift, you will help bring Christmas Cheer to a few of the

M. H. Libbott Chosen Head Of Palm Springs Masons

Honor of being the third worshipful master of the Palm Springs Masonic lodge fell to M. H. Libbott, named this week at the annual election of officers. This honor is not without exceptional responsibility for this year.

Installation of these officers will be held jointly with the elected officers of the Banning Masonic lodge on Monday evening, Dec. 13, at the Banning Masonic temple. It will be an unusual ceremony and will begin promptly at 8 p. m., with the temple doors open at 7:30 p. m.

Honoring the Masonic fraternity of both Palm Springs and Banning by his presence, the honorable past grand master of Masons of the state of California, John Randall Moore, will preside and install the newly elevated officers. He will be assisted by the Masonic inspector general of this district, Willard Babcock, who will serve as master of ceremonies.

Police in all Western states were searching today for Mrs. Margo de Forrest, 48, 1806 South Palm Canyon drive, who was last seen by neighbors leaving her home Tuesday evening attired in a pair of slacks and a fur coat.

Edward J. Nelissen, Village accountant and Mrs. de Forrest's employer, said she called him Monday declaring she was unable to come to work because of illness.

"Tuesday morning she showed up for work but I sent her home because she looked ill to me," Nelissen said. When she failed to appear for work the following day Nelissen checked at her home and when he didn't find her there, he asked neighbors who said they saw her leaving Tuesday afternoon and haven't seen her since.

600 men who will not be able to spend Christmas in their homes," said Dr. Baldwin.

Christmas Plans Talked by Board Of Youth Center

Regular monthly meeting of the Youth Center committee, held in Teen Target Tuesday morning witnessed the report of L. B. Jackson on the operation of the Teen Target discussion of Christmas decorations and a decision to open the Youth Center at 12 noon during the school Christmas holiday.

Jackson reported that an average of 67 teen-agers visited the Teen Target during the month of November. Plans to equip the Teen Target discussion of Christmas decorations and a decision to open the Youth Center at 12 noon during the school Christmas holiday.

Teen Target will be closed Christmas eve and the following day but will open at noon during the school holidays.

Aren't you glad
you drive a
Kaiser!

...you ride like a Rajah!

One of our serious-minded engineers says it's not right to pamper people so much. Well...you ought to know. Your Kaiser Siesta Ride is almost disgracefully luxurious! In 4-door sedan spaciousness, on a long, 123½ inch wheelbase, you sit between the wheels...driving or backseating...on five-foot-two seats. And your Kaiser is swung low...with no pitch-producing overhang. Sway is virtually eliminated, at any speed...even on curves. Finally, your Kaiser has the restfullest seats ever...upholstered in caressing fabrics that look like 'millions' and wear like elephant hide! Maybe we would end up a race of softies...if everybody could own a Kaiser...like lucky you!

Aren't you glad you drive a Kaiser...with Lighthouse Vision...Western-Range Roominess...112 h.p. Thunderhead Engine with Multiple-Manifold and Dual Throat Carburetion...Pinch-Penny Economy...Octopus-Grip Design...Tight-Rope Balance...Siesta Ride! Your big Kaiser is the standard value in the medium-price field...and the most copied car in history! It's a great feeling, isn't it, to have your dough down on a winner!

Tuthill Faces Death Jan. 28 For Murder

Cathedral City Man Must Pay Penalty For Shooting Woman

Marvin James Tuthill, Cathedral City, will go to his death for the slaying of Charlotte Ann Beverly, on January 28, it was announced this week.

Tuthill was convicted of killing the woman in their apartment at Cathedral City on New Year's morning.

His fate was sealed by prison authorities at San Quentin Monday and he will die in the gas chamber there.

He had been scheduled to die last April 2 but a last-minute stay of execution came dramatically just as he was about to enter the death chamber.

Tuthill was convicted of shooting the Cathedral City nurse who had been his girl friend as well as his partner in a plumbing business, by a jury in Judge R. S. Waite's court at Riverside after a long trial.

His defense was that he was drunk and did not know what he was doing. The nurse, testimony brought out, was fatally wounded as she entered the apartment early on New Year's morning. Tuthill was lying on a bed in the living room of the apartment awaiting her.

Under Suspicion

Clyde Hugh Abrams, 33, two weeks in the Village was being held by police Monday on suspicion of felony.

Beaumont Latest Seeking Branch

Maybe Palm Springs is missing the bus?

The Village hasn't asked supervisors to erect a county building here, as yet. But supervisors did get another request for a branch court house this week. It came from Beaumont.

Beaumont's mayor, A. B. Annis, said the Beaumont city council hoped that the county would acquire a site next door to the Beaumont city hall and erect a building that would house the county health department clinic, the county welfare department office and a justice of the peace. Mayor Annis also asked that the proposed building be built in conformity with the architecture of the Beaumont city hall.

The supervisors took no action on the Beaumont request other than to direct that Mayor Annis' letter be acknowledged.

"We can't go out and build county buildings in every city that requests it," said Supervisor Chairman Walter V. Pittman. Dr. Robert Westphal, county health officer, volunteered the statement that the present health clinic quarters in Beaumont are "adequate."

Supervisors have received similar requests from India and the Coachella Valley area.

Council, Planners, Talk Local Problems

Members of city council and the planning commission held a joint session Friday at noon when the Indian Reservation "problem" was discussed.

Close Call in Crash

Clarence R. Cain, 25, coast guardsman, visiting his father here, narrowly escaped serious injury when the automobile he was driving went out of control and overturned a mile northeast of Cathedral City at 2:15 a. m. yesterday.

Bus Company Seeks Permit For Shorter Ocean Route

The ocean was moved a little closer to Palm Springs this week when supervisors put their approval on a franchise request from Santa Fe Trailways for a bus service to operate from Oceanside to Indio.

The proposed route comes into Highway 111 via the Palms-to-Pines highway at Palm Desert.

Russell Smith, the transportation firm representative who asked the supervisors for support, said the application will be put before the interstate commerce commission on Dec. 17.

The proposed bus line will go through Temecula, Anza, Aguanga, cut into the Palms-to-

Pines Highway and thence into Indio, he said.

It would cut hours of traveling time for people going east from the San Diego area.

Some 11 miles of the present road through the mountains in Riverside county are full of curves and unpaved but Smith said a bus could operate over it. It is known as the Anza road.

Songfest Brings U.S. Into Scene

Max Kaidinof, 60-year-old Russian, was whooping it up on the reservation Monday night until alarmed neighbors called the police. Tony Torro, Indian federal police officer answered the call and Kaidinof continued his singing all the way to the police station. There it was necessary to call a physician to quiet him, he was disturbing the other prisoners. The next day he was transferred to Riverside where he faced a U. Too Many Tales Bring in Police

Clyde Hugh Abrams is all mixed up, according to police.

Taken into custody on the complaint of tavern owners that he was flourishing a loaded 38-caliber pistol in their establishments, he first told the officers he found the gun. Later he said a friend gave it to him for safe keeping. Police said and then other stories followed.

The finale came when Police Officer Jim Maynard booked him on a charge of carrying concealed weapons. He was to face Judge Eugene E. Theriault this week.

R. P. Shea Co. Plays Huge Part in Building Up Desert

From that day of July 16, 1946, when Cliff Henderson gave the signal to start the building of Palm Desert community and the construction of the Shadow Mountain Club, bulldozers, tractors, graders, trucks and tanks of the R. P. Shea Company, general contractor, have cascaded the thundering roar of motors across the desert and up into the Santa Rosa Mountains.

And while the Shea company's mechanical giants clawed out streets, roads and laid the water and fire protection systems for a total of 19 miles, the company's architectural building department was simultaneously changing the skyline of Palm Desert by erecting beautiful buildings which have set unusual architectural standards for this planned community.

To Colonel R. P. Shea, president of the company, the job of running in the life lines of civilization on this particular spot of land and providing people with homes and business buildings was an exceptionally interesting assignment, for it was in this very cove where General Patton trained his victorious divisions for overseas combat.

THE RECORD shows that the Shea Company has accomplished a monumental job at Palm Desert in just two years. Besides building the roads and water system the company built the Desert Magazine's printing plant and bungalows, the Twin Palms apartment hotel, the Sun and Shadows apartments for Edith Eddy Ward, the residence of H. F. Pritzlaff and is now constructing the new residence of Percival King Nichols, Jr. of Pasadena. In the meantime Col. Shea also built a beautiful new home for his family in Palm Desert, in front of which he takes off and lands his private plane which he uses to commute to other jobs his company is doing in the area from Palm Springs to the Salton Sea.

The Shea Company also did the excavation for the Shadow Mountain Club building, the Shadow Mountain Bowl and Stadium, the swimming pool and Lake Henderson.

MUSEUM NOTES

Tonight the subject of the current session of the Biology series, presented each Friday night at 8 o'clock at the Museum, will be The Animal Kingdom. Accompanying films will be: "Wild Animals," "Nature's songsters," and "Winged Pigeons." Open to the public without charge. Tomorrow the field trip will be to Murray Canyon, just south of Andreas Canyon, and will involve four miles round-trip easy trail walking. This beautiful palm canyon is not often visited because it can only be reached by trail. Persons wishing to participate in this trip meet at the Museum at 10 a. m.; return at 5. Bring lunch.

CHARLES W. LARABEE of Encinitas will be the guest speaker tomorrow night, at 8 o'clock. He will present color movies entitled "South American Adventure," taken during his trip this summer to the South American countries. Also during the summer Mr. Larabee ran a boat trip down the Colorado River from Bluff, Utah, to Marble Canyon, Arizona; next summer he plans to go by boat down the Snake River in Idaho. This program is open to the public without charge.

Attention is called to this change in guest speakers: Dr. Chester Stock of Cal-Tech was scheduled to present an illustrated talk on this date but will appear instead some time later in the season.

NEXT MONDAY, Dec. 13, the Desert Bird Group will meet at the Museum under the chairmanship of William Norman

John McIntyre, director of the welfare department, said nobody would accept people at \$50 a month board nowadays.

He said raising the amount to \$100 wouldn't solve the problem either, but it might help.

Doing the Village

with MOYA HENDERSON

This has been a very exciting week for Villager Mary McKeighan who left for San Francisco in the early hours of Thursday morning to meet her fiancé Ralph Duckworth as he disembarked from the Orient at that port. After a few years separation, the couple took the rest of the week to get reacquainted and see the town and will be married at Old Saint Mary's Church in San Francisco.

After the ceremony they plan to return to Palm Springs where George Strebe is planning a gala homecoming celebration for the couple at the Doll House.

ANOTHER LOS COMPADRITE joined the wedding ranks recently. News comes from down the valley that Juanita Redman and Bill Reynolds of Imperial Valley crossed the state line to Yuma last Tuesday to say their vows. Spalding's Men's Shop at the Barbara Worth Hotel in El Centro. Maybe it's just a coincidence but Mary McKeighan was also working for Wall in his local shop and, although he claims he's not running a marriage bureau, any single gal with matrimony in mind might apply to Wall for the Christmas rush.

When the Catholic choir met for practice at St. Theresa's Church last week they adjourned to the school hall for a

party to honor organist Ida Keeney Sullivan who recently became the bride of John Sullivan at Our Lady of Solitude Church.

YOUNG JOHN WILLIAM MCCOY, Jr. is home from the hospital with mother Peggy McCoy and growing into a fine fat boy these days. He is the grandson of the Val Blatz's, Mr. and Mrs. Blatz youngest daughter, Susan, who graduated a year ago from Fairbridge Sacred Heart Academy and then continued her studies at Mount St. Marys has entered the convent at San Jose with the intention of becoming a Dominican Sister.

The Weingarten and Hough Insurance office had one of their frequent get-togethers at Georges Steak House Wednesday evening. Besides the Al Weingartens and Earl Houghs there were the Harold Wests, Joe Rosenquists and Al Miller. Doll House dining last week were the Paul Trousdale, Harry Reids and Russell Wades.

THE MONDAY NIGHT square dance lessons at the Los Compadres Club House in Araby are attracting quite a crowd. With Harry Kester calling and instructing the floor is covered with couples every week.

Of interest to all lovers of the tacos and the enchillada is the coming Mexican Festival Sunday afternoon on the grounds of the St. Theresa School. Besides the wonderful Mexican food, the public will be entertained by the Guadalupe trio and the Lithuanian Folk Dancers who will be down from Los Angeles.

Dorothy Shay at Smoke Tree Ranch

Guests at Smoke Tree Ranch this week-end included prominent radio and stage singer, Miss Dorothy Shay, here from Pasadena with Mrs. Thomas Hume. The two visitors spent their short vacation frequenting the ranch swimming pool and riding at the Smoke Tree stables. Miss Shay will be seen at the Los Angeles Biltmore, where she is opening this week.

Racquet Club Plays Host To Notables

Life this past week at Charley Farrell's Racquet Club flowed in a stream of gaiety, laughter and fun with luminaries from coast to coast mingling with Villagers and winter residents.

Among those seen there were Mr. and Mrs. Ken Murray, newlyweds who arrived at the club to spend part of their honeymoon time. The couple, and Mr. and Mrs. Edgar Bergen were honored by Mr. and Mrs. Charley Farrell at a gala wedding supper.

There also were Mr. and Mrs. George Burns, she's Gracie Allen and Mr. and Mrs. Freeman Gosden, he part of the team of Amos and Andy. Mr. and Mrs. Jean Hersholt mingled with the crowd. Guests there, too, were Grace Tibbet, Melba Meredith, Mr. and Mrs. Jack Gordon, Mr. and Mrs. Bill Goodwin, Mr. and Mrs. Walter Slezak, who had to ground his plane at the Palm Springs airport the night before because of inclement weather in Los Angeles.

Visitors for dinner and cocktails, included Mr. and Mrs. William Powell, Mrs. Helen Stokes of Denver, Edmund Goulding, the director, Mr. and Mrs. Harold Hicks, Rudy Vallee, Jack L. Warner, General and Mrs. Reese Howell, Mr. and Mrs. Claude Vauclair and Mr. and Mrs. George Robertson and Mr. and Mrs. Earl Coffman as well as Mr. and Mrs. George Strebe.

Socialites, Mr. and Mrs. Howard Huntington of Pasadena, were enjoying themselves, as did Ray Schindler, famed detective, Ruth Warburton, just back from New York, Jesse Lasky, motion picture tycoon, and song writer Dave Rose. Robert Cummings was in a group of others from Hollywood.

Long Beach Couple Honeymooning Here

Mr. and Mrs. Alfred Sacks of Long Beach, California, are spending a two weeks honeymoon at the Colonial House. Mrs. Sacks the former Joy Tanenbaum, has been a frequent visitor at the fashionable Colonial House for many years and is well known throughout the Village. Mr. Sacks is a prominent real estate operator in St. Louis. Mr. and Mrs. Sacks will make their home in St. Louis.

Mr. and Mrs. Frank L. Dowell, newspaper publisher from Laguna, were vacationing in Palm Springs last week at the Holiday Villa.

Being ardent equestrians the Dowells had their own horses shipped to them for their daily rides while in the Village.

Dining at the Dunes Saturday evening were Mr. and Mrs. Sax Sutton. He is responsible for many of the water shows that are brought into town and swimming instructor for the Royal Palms hotel.

Dining in the Coral Room of the Hitching Post Wednesday evening were Mary Bozocos and George Scheeter, who later went to the Palm House to do some fancy dancing to the music of the Veltones and to watch the antics of Jules and Webb.

Gay Dinner Party Staged By BW Club

Annual charter night dinner of Palm Springs Business Women's club Monday night at Del Tahquitz hotel, was another huge success, such as the club always stages.

An excellent dinner from the hotel kitchen preceded an evening of informality and merriment winding up with the singing of Christmas carols with Mrs. Lillian Sweetland at the organ.

Mrs. Mildred Veano, president, was in the chair and Tess Meyers conducted the program snappily. Mrs. Ruth Hardy, city councilwoman, made the principal talk of the evening. Guests introduced included George Wheeler, Mr. and Mrs. R. F. Graettinger, Dr. and Mrs. Potter, City Clerk Louise McCann and Dr. and Mrs. Potter, besides the Sweetlands.

It was a merry evening and in the usual successful manner of all events staged by the club.

Excellent entertainment was provided by Johnny and Tani Boyle in western and Hawaiian songs and dances.

This Dinner Starts With Kitchen Tour

Dinner "through the kitchen" is quite a novel idea carried out every other Monday evening by the Desert Inn. From the dining room you walk into a large, beautifully appointed kitchen, where you are met by a very charming waitress who helps you select your dinner and escorts you back to your table where you are served. Among the Villagers present Monday evening were Mr. and Mrs. Harry Harper with Mr. and Mrs. Earl Coffman; Mr. and Mrs. Donald Lockett with Mr. and Mrs. James Giegler; Miss Tess Fields and Mr. and Mrs. H. B. Britt.

Mrs. Nellie Coffman hosting a large party which included Dr. and Mrs. J. R. McCarthy, and Mrs. B. B. Weatherall, Dr. and Mrs. C. H. Woodmansee, Julia Harrison, Caroline Smith, Hedda Hopper, Elizabeth Davidson, Ethel Hunt, and Mrs. James

Beautiful Shadow Mountain Club Host to Notables from Entire Nation at Opening

Beautiful Shadow Mountain Club and it just couldn't be more beautiful, opened last night with the first of three formal dinner dances that inaugurate a brilliant social season at Palm Desert. The reservation list for the three evenings looks like pages out of Blue Books from points East and West together with a complete Palm Springs Desert Area social register.

Cliff Henderson, who dreamed the whole thing up and has thought and talked nothing else for two years, was here, there, and everywhere, receiving con-

gratulations from his hundreds of friends who are here from all parts of the country especially for this occasion.

Seated at a long, flower-laden table in the center of the dining-room, Mr. Henderson's guests for the first evening were Hedda Hopper, Mr. and Mrs. Edgar Bergen, Mr. and Mrs. Leonard Firestone, Mr. and Mrs. Lyman Johnson, vice president of Pan-Pacific, the Eddie Shipsteads, Mr. and Mrs. Ed Gardner (Duffy's Tavern), Mr. and Mrs. Kuyvan W. Leitch, vice-president Santa Anita Turf Club, Mr. and Mrs. Justin Dart and Mr. and Mrs. Arthur Stewart.

Nearby at another large table was Col. Earl Ricks, who flew in the air races with Cliff and piloted the Japanese Generals to the place of their surrender. Leaving his duties as Mayor of Hot Springs, Arkansas, Col. Ricks will be entertaining guests each evening during the opening days.

Mr. and Mrs. Philip Boyd were entertaining a party of eight, as were the J. B. Mahers of Greenwich, Conn. Mrs. Maher, is the former Mary Walker, who spent winters at the Desert Inn before her marriage.

Other first nighters were the Fred Ridgways of Pasadena; Dr. and Mrs. Leland Johnson of Long Beach; Mr. and Mrs. Chris Cosgrove from San Diego, now vacationing at La Quinta; Mr. and Mrs. Elton McDonald out from Detroit; Col. and Mrs. Don Russ of San Francisco and the Ray Dodges of Los Angeles; and Miami, and now winter residents of Palm Springs—having just established themselves in a new home in the Village.

Included in the Palm Springs

guests were the John Munhollands and William Wrights at a table for four. Entertaining at other tables were Mrs. T. A. Willard, the George Wheelers, Clarence Woolly and the Kenneth Colborns, whose guests were Mr. and Mrs. Carroll Naish and daughter and the Fred Renkers. Mr. and Mrs. T. W. Curtis, the Lee Roberts, Dr. and Mrs. Warren Wilson and the Raymond Wilsons, of Bel-Air and Palm Springs.

Edith Ward, popular sales-manager of Palm Desert, will entertain each evening of the gala opening, as will Herb Fritz, Jaff, whose home is one of the show places of Shadow Mountain Estates. And, of course, Sally Lasley, looking very chic and happy over everything, will be there seeing that everyone has a good time.

Reservations for the big night Saturday have been made by another big group including many parties of Palm Springs socialites. Just a few noted are the Everett Moultons of Bel-Air, C. E. Lucas, Rudy Vallee, who will have eight in his party; Mr. and Mrs. Harold Soper, Palm Springs winter residents; the Frank Birelys; Mrs. and Mrs. John Deaton; Jerry Powell, president of The Bachelors in Los Angeles, who will bring down a large party; Mr. and Mrs. Preston Hotchkiss; the Kenneth Kirks, who will entertain their houseguests, Mr. and Mrs. Tevis Morrow and Mr. and Mrs. Dick Winans of Bel-Air and the William B. Maloufs of Palm Springs.

From Hollywood the Dick Powells and Randolph Scotts will be present, along with many, many more celebrities.

Dining, Dancing Downstairs at The Stables Now

A new policy at Governor Jimmie Davis' Stables was announced yesterday by the former governor of Louisiana, now host at the noted Palm Springs restaurant and night club. Hereafter, Davis said, diners may enjoy entertainment and dancing downstairs in the main dining room to the music of the famous Sunshine Band.

Formerly diners repaired upstairs for dancing and entertainment, but it has now been decided to feature special square dances in the Hall Loft room exclusively on Thursday and Saturday evenings.

Davis returned to the Stables yesterday following three weeks of film production in Hollywood on his new picture "American Rhythm."

Touring the Village night spots last week with friends from out of town were Roma and Bill Marvin, escorting Mr. and Mrs. Lester Freedman of Los Angeles and Mr. and Mrs. Robert Robinson of New York.

Carmen Miranda was shopping at Bullock's Saturday, before the quake, sporting a beautiful Palm Springs tan.

Houseguests for Mrs. Noble C. Banks last week-end was her daughter and son-in-law Mr. and Mrs. Orton Elbert of Pasadena.

ON PREVIEW TOUR. Inspecting the new Shadow Mountain Club at Palm Desert the day before its opening are left to right: Reginald Crump, Walter McManus, Mrs. Reginald Crump, Mrs. Walter McManus, Mrs. Curtis King and Mr. Curtis King.

Legion Auxiliary Hears Talk On Work for Ailing Veterans

It is the long road back to health and usefulness that is Rehabilitation according to Dr. J. E. Potter who addressed the regular meeting of the Owen Coffman Unit, American Legion Auxiliary Tuesday evening.

From his many years association with the veteran he told of the effects of the program and urged all to increase their interest.

Reports of the district meeting were given by Mrs. Robert Elsworth on Americanism; Mrs. E. Haddon on Poppy Sale; Mrs. Jay Morrison on Community Service and Mrs. H. H. Menard on Legislation.

Taking in the Southern California-Notre Dame game Saturday at the Los Angeles Coliseum were Bob Benish, Ted McKinny and Mr. and Mrs. Robert Backstrom.

Mr. and Mrs. George Burke of Ann Arbor, Michigan ended their 10-day vacation in the Village Sunday as guests of Mr. and Mrs. Harry Bennett. Escorting the Burkes to Riverside Sunday to board a Union Pacific train were Robbie Parks, Bob Bennett and Mr. and Mrs. Harry Bennett.

Vacationing at the Palm Gardens apartments last week were Mr. and Mrs. Glenn Harris of Santa Ana, owners of the exclusive "Patricia's" dress shop.

Week-end guests for Mr. and Mrs. Bob Morris were Mr. and Mrs. N. L. Gable of the Dean Witter company of Los Angeles.

George Carey of Foreign Motors and Mr. and Mrs. Donald Manchester of the Bombay were hosts at a cocktail party Sunday from 5 to 7 p. m. at the Bombay in honor of the staff of the Bank of America. Approximately 30 guests were on hand to enjoy the delicious hors d'oeuvres and refreshments.

Mrs. Helen Lloyd entertained at luncheon at the Tennis club Sunday in honor of her houseguests from Beverly Hills, General and Mrs. Reece Howell and their guest James Allen also of Beverly Hills.

Kent Roberts Addresses Club Women

That women's organizations can become forceful as a deterrent against communism was stressed by Kent Roberts in his program on "Today's New World" before a large audience at the Woman's Club last Monday evening.

In giving a picture of the international situation as it is today, Mr. Roberts took his audience on a veritable hop around the world from a bleak trip into Berlin on the Air Lift through Russian air maneuvers to a pleasant visit in Corsham with his friend, Philip Mountbatten, Duke of Edinburgh.

Mr. Roberts is a constant world traveler and whether in Washington or other world capitals, he is gathering first-hand news from the world's most eminent leaders, which enables him to give an accurate and vivid report on international developments right up to the moment.

Of local interest was Mr. Roberts' statement that on his globe-circling tours he is asked about Palm Springs more often than any other place in the United States with the exception of New York.

In congratulating Mrs. Robert Ransom, program chairman, on securing Mr. Roberts for this program, many members of the club expressed the hope that a re-engagement would be possible next fall when he returns from his summer tour of the world.

New members welcomed into the club were Mmes. Charles H. Burley, Meta Ellinger, Honerietta A. LaDage, Olive Orblison, Stuart S. Richards and Harry Yesley.

The club was beautifully decorated with desert shrubs and flowers arranged by Mrs. Sylvia Chaney and Pearl Wheeler Martin. Tea hostesses were Mrs. Bond, chairman, with Mmes.

Old-Fashioned Supper Gay Event

An old fashion box supper was held Sunday night by Palm Springs Jewish Women's Group at American Legion Hall. The auctioneers, Jules DeVorzan, Herman Levine, Morrie Aberly, and Stanley Rosin aroused much merriment among the crowd. The highest bidder received the box and upon opening it found the name of his supper partner. The change of partners was quite a novel idea and was enjoyed by all. Supper was followed by cards. All monies raised were contributed to the Youth Aliya Fund.

Mrs. Louis Dates was chairman, and Mrs. Herman Levine co-chairman for the entertaining evening.

Mmes. Aiken, McCabe, West, Trott, Kelly, Elliot, Austin and Vincent assisting.

**GAA Carnival
Attracts Gay
Student Throng**

"It was just one of those things," might have described the GAA Carnival last Friday night.

Those who attended despite the weather were rewarded by two bonfires which helped combat that "lovely" wind and rain.

The "Freshman Frolic" was the booth which held the attention of the milling multitude for the longest, but the Letterman's "Football Throw" ran a close second. The GAA's "Penny Pitch" was as good as always. The Scholarship Society under the direction of Corky Hammond, were selling candy apples and pop corn balls all over the grounds.

Some other booths which were gaily festooned and drew crowds were Bingo, Tennis ball throw, roulette wheel (and fun) Spanish Foods, darts and hot chocolate (yummy).

King and Queen of the Carnival was chosen at the dance which followed the carnival. The Freshman entries Bill Spencer and Sally Pringle won the honor over all opponents—yaaaaa! The dance which was a big success wound up the GAA Carnival and I'm sure it will be looked forward to next year.

The Circle is looking forward to her appearance with eager anticipation. All are invited to hear her and to stay on for the Christmas Tea which will be served in the new church parlors immediately after the concert.

GAZOOZIT

Mother Nature brought welcome rain for the GAA Carnival last Friday night—but a few courageous boaters carried on and the Freshman Follies and Cake Walk were the centers of interest. Then there was Jay Hughes' private cake sale.

Some of the rain-soaked twosomes at the Carnival Dance were Nancy and Jim, Pat and Buddy, Penny and Bill Lancaster, Yours Truly and Bill Slocum, Nancy and Don (and camera), Janis and Barton, Marilyn and Marvin, and muchas more.

Saturday evening Mother Nature decided we hadn't had enough and delivered a surprise package—COD—in the form of an earthquake. But that didn't belittle the grand opening of the gym and our first Varsity victory this season.

Seen and heard cheering were a new steady couple, Sonja and Gary, and an old steady couple, Connie and Pudge, also Jackies (with new look hair cut) Marleen, Lukkie, Ben, Wynne, Alex, Ned, Pop, and more.

After the game some of the couples over at Betty Wrights terrific party were Audrey and Frank, Mable and Eddie, Katie and Dale, Elaine and Jack (or was it Katie and Jack and Elaine and Dale?), Sandy and Chuck, Barb and Gary, Yours Truly and Gene, Sandra and Corky, Arlene and Bob (the rug cutters), Adele and Bill (in a lovely strapless sundress—Adele, that is), Nancy and Jim, Donella and Norman. Some of the staggettes and stags were Pat, Barbara, Bev, Francie, Nickey, Bond, Kenny and Jay. Everyone ate cake, drank coke, and was very merry.

Sunday evening many people went to the show such as Lois and George, Shirley and Dope, Ella and Bryan etc.

A few romances have hit the rocks like Francis and Bobby, Doreen and Billy, and Barbara and Joey, but they are all friends.

This week's question concerns the love-life of a certain Miss Knower—"What's this we hear about her and Tommy?"

**USC Choir Sings
For High School**

University of Southern California's A Cappella Choir presented an outstanding musical program last Tuesday in the high school auditorium. This is a special assembly to which the students always look forward.

Under the direction of Dr. Charles C. Hirt, whose interests lie mainly in the field of sacred music, the program was begun with the singing of Holy Radiant Life by Gretchaninoff. It has almost become a tradition for the choir to open their numerous musical programs with this number.

Following came the Kyrie Eleison by T. L. Victoria; Hallelujah, Amen by Handel; For ever It Is Meet by Constantine Shvedoff; Gospodi Pomilui (Lord Have Mercy) by Loovski; Grant Unto Me by Brahms; Whiffenpoof Song was sung by a double quartet, the solo by Mel Cobb.

This number was arranged and accompanied by Ray Henderson. The program was climaxed by a series of Irish songs from the motion picture "My Wild Irish Rose." Again the solo was done by Mel Cobb.

**Heads Appointed
For Coming Play**

Palm Springs high school dramatics class is presenting "Nine Girls," a comedy based on the activities of nine women. John Schwendiman, dramatics coach, has appointed Tony Jupe student director and Ann Welles assistant.

Profits from the show, which will be performed at the El Paseo theater on the evenings of Dec. 17 and 18, will be donated to the junior class.

The cast includes Nancy Nye, Vick Matloff, Connie Nash, Marleen Watlett, Sandra Veano, Elaine Purnell, Katie Mills and Jackie Gingsbury.

The program was climaxed by a series of Irish songs from the motion picture "My Wild Irish Rose." Again the solo was done by Mel Cobb.

As an encore they sang Spirit of the Lord Done Fell on Me, a Negro Spiritual by Cain.

**Football Floor Shows Make
Great Hit With Grid Fans**

Along with memories of 1948's past football season are perhaps more pleasant ones of the outstanding half time performances which Friday night audiences gleefully began calling THE FOOTBALL FLOOR SHOWS.

Our league game with the Coachella Arabs is a suitable example with the half time pistol shot as their signal, the Palm Springs High School band, under the direction of Gustave Patzner, marched to the center of the field where an Arab-like tent was being erected prior to the stunt. Soon, a few slave girls appeared on the field and began dancing around the tent in time to the bands accompanying drumbeat. The audience learns that Grand Alex, an Arab Noble, has kidnapped the daughter of Indian Chief Ballaghooley, and has brought her to his camp, much to the consternation of his wives. The chief pursues Grand Alex but, upon arriving at the tent, is overcome with a sleeping position which the wives of Alex have given him. While the chief is sleeping, his warriors arrive on the scene, do away with the wives and arouse the chieftain who, in turn, slays Grand Alex and rescues his daughter.

The plots in the skits were simple; it was the way they were presented that made them so entertaining. Just who was the originator of our half time performances is difficult to define, however their success was made possible by the full cooperation of Gustave Patzner, Andrew Lester, our art man, John Schwendiman, Radio, and John Weeks who took care of and sound system. Dr. Oertel said, "These men and their respective departments worked together on the half time project and were so successful as to produce entertainment superior to that of many of our larger universities. Gustave Patzner rounded along the same line, stressing a minimum of working conflict. He said, "no such elaborate and entertaining half time performances could possibly have been staged without the full co-operation that I received from the art, drama, and service club departments and I wish to thank all those who gave their services to the program for improving such fine working conditions on me. He added, "Later in the year the band will make a concert tour to all the schools in Palm Springs and, we hope, to Indio and Banning."

CROSSTOWN

"It was a French cookbook—I hope my translation was all right!"

I RISE TO REMARK

By CONGRESSMAN JOHN PHILLIPS

Sitting, just sitting, is difficult enough under any circumstances, but to have to sit, in a Los Angeles hotel room, while the congressional trek back to Washington is getting under way, is almost more than this congressman can stand. Perhaps it will be good training for the patience and equanimity, and a little extra fighting strength, which will be necessary as the United States moves into the orbit of national socialism.

Washington is buzzing like a bee hive, rumors and opinions, with a few facts mixed in, plus the preparations for the inaugural on January 20. Already, so letters tell me, all hotels are sold out. A big stand is being built on the east side of the Capitol, towards the park. You'd think the democrats had been out of office for 16 years and were just getting back in, wouldn't you? It may be that there has been a change.

THE GREAT QUESTION, since November 2, as I have stated it in various ways in this weekly letter, has been how Mr. Truman could reconcile the demands from, and the promises to, the several groups, any one of which could take credit for the mar-

gin of votes which decided the election. Labor will ask for the repeal of the Taft-Hartley Act, but the farmers, who had an equal or greater influence on the election (and who, I suggest, will live to regret the day) will not want it repealed. Union men themselves do not want it repealed, as the election showed. The farmers will want high support prices without the saving change of flexible percentages, which might have saved the program, while city housewives, reading labor and liberal papers, have been taught that support prices influence higher food costs. There are other conflicts.

What will Mr. Truman do? That has been the question. Will he hedge or straddle? No, I don't think so. Can he possibly make good on all promises. That would be impossible. What can he do then? There is only one answer; he must choose some one group, and support that side of the argument. Indications reported to me from Washington, by letter and by conversation, are that he will choose labor. Thus we have in this country the development of a political condition that was not expected until 1952. That is why I suggest that farmers may

eventually question the wisdom of trying to become a gimmie group.

I SAY THIS with no disrespect to either labor or agriculture, but to demonstrate something. If you want to be a successful pressure group in these troubled political days, you must have something to back up your efforts. Just wishing won't do. Labor has organization. With the exception of certain minority, leftist groups, labor is the only group with organization and direction. Agriculture has organization on the local level for local objectives only; it has some organization on the Washington level; less than the farmers think, and less influential. The democrats, as a

party, are not united, not organized along precinct lines, and the republicans seem to have forgotten the importance of such work. There are exceptions, as in the case of the younger groups in Orange county, or the belated impetus for such organization in Riverside county, but even there we do not see the precinct work of a generation ago. It is not surprising then, that Mr. Truman, according to report, plans to follow the desires of labor, rather than agriculture. It does give us some idea of the probable program he will suggest. This program must then meet the changed committee conditions in the congress. All in all, the 81st session will hardly be dull.

Cathedral Lions Celebrate Ladies Night at Dinner

Just two lone Lions were found missing Thursday evening when President Leslie Kelley called the meeting to order at Town Hall. And what a surprise the men got when they arrived to find their wives had already assembled in the hall. It was Ladies Night for the Cathedral City Lions club but a secret to the men. From seven to ten o'clock there was never a dull moment. Jim Wolseth, program chairman, saw that every one had a good time and Bud Rupp, tail twister, was one of the busiest men in the hall. Not even the president was spared as he lost a perfectly good tie which was cut into pieces and sold to raise money for the school children's Christmas stockings.

Membership chairman Russ Barclay presented the following candidates for induction. O. T. Torgerson, Jim Henderson, Ross Davidson, and Harry McClung. After being installed by the president, the wives of the new members were introduced and

The marriage is to take place in La Quinta at the Kirschner estate and there will be over 200 guests. The bride's wedding dress and trousseau are the gift of Mr. Kirschner who is owner of the Grayson dress shops.

Miss Agnes Pelton, noted local artist, has established the custom of serving tea to her friends and admirers once a week during the winter season. She announces that this year she will be at home in her charming studio at 677 E. street, Cathedral City each Sunday afternoon from three to six.

Among the new businesses in Cathedral City is an up to the minute radio repair shop operated by Barry Pearl. It is next door to the Cathedral City grocery. Mr. Pearl spent 15 years in radio repair in Long Beach and five years as chief radioman in the service. Sam Montesanto recently opened an upholstery shop in the Scherck's rug and upholstery cleaners building next door to the firehouse. He has had twenty years of experience and was associated with R.K.O. studios for several years.

Mrs. Martha Duncan, president of the school club, extends an invitation to the town to visit the school on Wednesday Dec. 22, when Santa will arrive with his pack and give out the Christmas stockings. A program of music and short plays will be given by the children.

Louis Krupp, well known Rancho Mirage artist, donated a large picture of desert sand dunes to the Woman's club to be used as a prize at the Christmas fair. This picture has been on display in the Peter Pan bakery and grocery store all week where tickets were sold. It was obtained for the club by their new member, Mrs. J. Marie Ropp, who runs the art gallery at the Desert Magazine building in Palm Desert.

Stop Signs Put In Appearance On Broadway

Stop signs have at least made their appearance along Broadway where each north and south street intercepts the highway. It is promised that signs prohibiting diagonal parking will also be put up in the near future as it is due to this hazard that many accidents have happened recently.

Mrs. Kerry has joined the Women's Club and both attend the Community Church.

After nine months of waiting word finally came this week that the desert bank had the go-ahead signal from Washington, D. C. O. A. Torgerson and his board of directors met Monday night at his home on D street to map plans for the building which will start at once. It is hoped the bank will open within three months.

L. C. Lewis Takes Charge at Rally Of Desert Group

A meeting of Desert Associates of Riverside county was held last Monday night in the Desert Magazine building with 40 present. L. S. Lewis of Cathedral City was made presiding officer and Harry Harper secretary.

There was a general discussion of county wide heavy industry zoning and means to be used to prevent the cement plant from coming into this district. The decentralizing of the county government with headquarters in Indio was urged as this has been done successfully in other counties.

There were representatives present from Thermal, Indio, Desert Hot Springs, 1000 Palms, Palm Desert, Rancho Mirage, Cathedral City and Palm Springs. All voiced the urgent need of an aggressive organization which would make for desert unity in furthering the needs of each community. Plans were made to form a non-profit corporation of Desert Associates as proposed by Lyle C. Newcomer. Membership will be open to all civic bodies, business firms and individuals in the valley. A schedule of dues, similar to that used by the Desert Museum will be followed with individual membership as low as \$1. A governing board of 15 was decided upon. The nominating committee was appointed consisting of Earl Coffman, Ted Carlson and L. C. Lewis.

There are approximately 400 who buy the Desert Sun in Cathedral City and surrounding ranches and over 200 who get it by mail. The question has been asked why the business men should support the Cathedral City page by advertising and why the citizens of the town should be asked to subscribe.

This paper with its more than four thousand copies twice a week goes all over America. The advertisement brings direct response from the local community and also helps to interest people to come here to live.

The more subscribers there are

Christmas Fair All Ready For Big Opening Tomorrow

Tomorrow is the Christmas Fair, the big annual party of the Cathedral City Woman's Club. It will begin at 2 o'clock and last until ten. In the afternoon the sale of decorated smoke trees, stuffed dates, marmalade, handwork and rummage will vie with the games for amusement.

Beginning at six Mrs. Josephine Moon in charge of the Kitchen and Mrs. Edna Cobb in charge of the dining room, will take over and serve a ham dinner to 150 people. Reservations are being taken for the dinner as Josephine's apple pies are famous. The apples were pared and canned on Wednesday when club met in the townhall armed with paring knives. Saturday evening a cake walk will be held and thirty cakes will be given away to the lucky winners.

This will be the largest fair the club has attempted. One hundred dollars of the proceeds have already been pledged to help with the finishing of the Girl Scout house, which organization the Woman's Club sponsors. Fifteen dollars will be given to the school club with which to buy hard candy for the 225 Christmas stockings. The directors of the chamber of commerce collected towards the same purpose on Tuesday night. Because the chamber is not a service club the donation was made individually. The Lion's Club is also contributing.

State Autos Now Exceed 4 Millions

No wonder you find traffic so thick. California motor vehicle registrations have exceeded 4,000,000 for the first time. A. H. Henderson, Director of Motor Vehicles, announced today.

A count of 1948 transactions through August 31, including those in processing, showed that registration stood at 4,004,298 vehicles, including both fee paid and exempt. This compares with 3,934,095 fee paid and exempt registrations in 1947.

The new figures place California well in advance of New York, runner-up in the number of registrations, which reported 2,981,978 vehicles in 1947.

California topped its first million in motor vehicle registrations in 1923, its second million in 1929 and its third million in 1941.

Henderson reported that Riverside county had 70,657 fee paid registrations completed or in process on August 31 and a combined total of 71,596 fee paid and exempt registrations for the same period.

to the paper the more interest business has in advertising. Lets patronize those who advertise on this page and tell them we read their adv. sez I.

Jim and Mary Wolseth entertained the Cobbs and Wallers at dinner Monday evening. Cards were enjoyed during the evening and 500 hand bills for the Christmas fair were addressed and stamped.

holiday, to run the complex production job requiring hundreds of employees hired directly by him, plus those of sub-contractor, Henderson thanked the latter also for doing extra duty in getting the club finished for its gala opening.

CLIMAX TO THE DINNER was a breath-taking surprise to Cliff Henderson, when the very workers he was entertaining unveiled a bronze plaque, set in a huge boulder, which they had made recording his founding of the club.

During the three more days of the gala opening, club members, their guests and specially invited guests will not have an idle moment, for Henderson is staging water shows, featuring champion swimmers and divers, a water ballet troupe, Monte Montana with his trick riding troupe, is staging a turkey shoot on Saturday and Sunday, and providing other daytime entertainment. Tea dances will be held Saturday and Sunday afternoons.

At night the dinner dances will be interrupted when guest act will come to the club from Palm Springs. These will include Shadrack and the Merry Mutes, sent by Irwin Shuman of Chi Chi; the Quadajajara Trio, sent by George and Ethel Strebe of the Doul House; The Three Caballeros, sent by Esther McGee of Wonder Palms. And probably there will be others.

IN ADDITION to Todds Rhythm Orchestra, Henderson will present a gypsy band, which will greet each guest alighting from cars to enter the club and also will play for guests on the terrace and patios around the swimming pool and cabanas.

The gala opening ends Sunday with a buffet dinner starting at noon. Governor Earl Warren and Lieut. Gov. Goodwin Knight and other state officials from Southern California counties and cities and special surprise guests will be in attendance.

Henderson expects he will be wearing a new Stetson hat. For sometime ago Bill Talbot, Palm Springs sportsman, bet Cliff a hat that Shadow Mountain Club would not be open before at least New Year. Henderson has sent him a wire collect, advising him that he wants to collect the token, pronto.

HENDERSON REGRETS that Gen. H. H. Arnold cannot come because he is under the care of doctors. But he will greet with special cheer Roger Dahlheim, who though ill, is being chauffeured down from Los Angeles for the occasion.

The founder of the Farmers Market and Henderson became bosom pals when each of them was trying to build something big in Los Angeles. Dahlheim ran his idea from a wagon load of apples into a world famous market and Henderson put across the Pan-Pacific Auditorium. Dahlheim just has to get a look at this Shadow Mountain Club for old times sake.

Writers and photographers from national magazines, noted syndicate columnists and many feature writers from Los Angeles and other southland newspapers are here to cover the event and newsreel cameramen will be here over the week-end, to record the festivities at the new club.

proval of the 170 members of the sponsoring committee, all of them responsible, civic-minded persons within the district boundaries," he said.

ALSO OF VITAL importance will be the adequate financing which the hospital will be given for the addition of badly-needed equipment such as more X-ray facilities, more personnel, a 24-hour ambulance service for the desert area if needed, and many other similar needs.

Chairman Kirk asked all media of information to help clear up a misunderstanding that has developed in the minds of some persons as to the extent of taxes which the five-man governing board of the district could levy.

"STATE LAWS limit the district to a tax of 20 cents for each \$100 of assessed valuation," he said. "Some persons have interpreted this in error as meaning 20 per cent. This is entirely wrong. For instance, the total tax rate of the Palm Springs community this year is about \$6.00. The 20-cent limit is one-third of that total rather than one-fifth as some have mistakenly believed."

"We estimate that the hospital district levy will cost less than \$10 a year on the average home in Palm Springs. When it is remembered that most of these homes give more than that each year to the Community Chest for support of the hospital, it can be seen that they will be paying no more under this plan than previously, and perhaps less."

Transportation to and from the polls can be arranged by calling one of two telephone maintained by the Desert Hospital District Committee—Palm Springs 2251 or 2888.

Plans for Fiesta Continue Despite Fact Little Church On Reservation Not Ready

The Rev. Ramon Klumbis, who has been working mightily in the past few days getting ready to re-activate the little white church on the reservation, is no stranger to tragedy and heartbreak, so he took the latest mean trick of fate in stride and immediately started plans to circumvent it.

RAMON NAVARRO
Coming to Sunday's Fiesta

Cooperation Aim Of Tuesday Rally

The general public, city chamber of commerce members, civic and county leaders have been invited to attend a county-wide chamber of commerce luncheon meeting Tuesday, at the Desert Inn.

Purpose of the meeting, according to R. M. C. Fullenwider, secretary of the Riverside county chamber of commerce, is to promote a more cooperative spirit throughout the entire county.

Reservations for the luncheon should be made by tomorrow, either by phone or by writing to the county chamber of commerce office at the court house, Riverside, or at the Palm Springs chamber of commerce office.

With his plans for re-opening the church all but complete, the city building department at the request of the pastor, inspected the building following Saturday's temblor and found that the old building, the first church in the Village, could not be used as it stood.

FATHER KLUMBIS, who spent months in Russian and German concentration camps during the war and whose life was safeguarded by virtue of his American citizenship, took this latest setback calmly and was successful in persuading his Indian and Mexican charges to go ahead with their preparations for the re-opening of the church and the fiesta.

Instead of the Mass to be held in celebration of "Our Lady of Guadalupe" on Sunday at the little white church, the services will now be held at 11:30 a. m. in the church at St. Theresa's. The rest of that day's program, the Mexican dinner prepared by members of the Mexican colony, and the dance to follow in the parish hall at St. Theresa will take place as planned.

AT THE SERVICES and later at the dance, the honored guest will be Ramon Navarro, star of silent motion picture days. He will arrive in the Village Saturday night to be a weekend guest of Earl Coffman's at the Desert Inn.

Frank Bogert will act as master of ceremonies at the dance and entertainment during the afternoon. The Guadalupe trio will also make an appearance. Native Luthuanian folk dances will take place by a group of Los Angeles dancers who will make the journey to the Village for the occasion. Manuel Marmolejo and his Mexican musicians will furnish the dance tunes. Our Lady of Solitude choir and the famed Crasimir choir of Los Angeles will also be present. Other entertainment is planned.

All receipts, \$2 for admission to the dance and for the Mexican dinner, will be used in repairing the little white church. Father Michael O'Connor, pastor of Our Lady of Solitude, and Reverend

FBI to Conduct School for Police

Acting on the invitation of Chief of Police August Kettmann, two members of the Federal Bureau of Investigation, Harold Higgins and Frank Flack, yesterday were going over plans to hold the annual police training school January 10 to 19.

Higgins will conduct the school of police work as practiced by the FBI and Agent Flack, instructor in firearms, will conduct that type of training in the art of using the riot guns, Rising and Thompson machine gun technique and the nomenclature of other law protecting devices such as the proper use of gas bombs, and gas guns.

"In affect," declared Flack, "it will be similar to moving the FBI academy of training from Washington, D. C. to Palm Springs."

William Clavin, pastor of St. Theresa, are aiding in the celebration. All Villagers and visitors are invited to attend.

West Riverside Protests Cement Mill Dust, Smoke

Support was mixed this week in Palm Springs battle to prevent encroachment of heavy industries which would menace the city's reputation for pure air and a health resort.

In West Riverside 500 names were signed on a petition against the cement plant there asking that fumes, noise and dust be eliminated. The East Riverside have had the cement plant next to them for a long time and, as leaders said, they know what they are talking about.

IN THE MEANTIME, Beaumont chamber of commerce went on record as opposing a plan for restrictive zoning in their area. A committee will be appointed to represent Beaumont at the next meeting of the county planning commission to oppose any zoning which would affect their area.

IN WEST RIVERSIDE the complaint was that the cement plant there had grown lax in the past few years and that dust and smoke were increasing.
